MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Harry E. Fitzwater
Director of Personnel

SUBJECT: DCI MAG Memo, dtd 16 May 1979,
Subj: Age as it Relates to Occupational
Qualification for Employment at CIA

Sir:

We have read the attached paper from the DCI Management Advisory Group and think a study of this subject is a fine idea although we hope the Agency will not be challenged for many years on this particular issue.

We are adding this to our priority list of projects to complete. This will, as you may appreciate, result in a fairly lengthy study requiring use of our limited personnel resources. Unless you disagree, I would prefer to put it at the bottom of our priority list leaving the review of NAPA and aspects of the Civil Service Reform Act as higher priorities.

Harry E. Fitzwater
